Beautifully presented! Using everyday language

By Marcia Beloved

Beautifully presented! Using everyday language, Ayya Khema frames the Buddha's Noble 8-fold Path in a way that is essential for a beginner and deeply meaningful to someone like myself who has been diligently practicing for several years. Ms. Khema takes you to the nuts and bolts of the process and to the Heart of it in a way that increases confidence and inspires. Some of the things she mentions, I had experienced and wondered about. Some of my lingering questions were also answered. I shared this with several friends and all felt similarly. After this simmers for a bit, I would also recommend another title, "Who Is My Self?" Both of these are gems of the Dhamma.
